Classberry Pricing & Plans

Three ready-made packages are available, with a Client-Selected option for institutions that prefer a custom combination of modules.

Plan	Paid modules	Annual rental	Perpetual licence	Positioning
Classberry Lite	12	$1,350	$3,650	Core administration, academics, communication and family access
Classberry Basic	18	$1,800	$4,900	Lite plus operational tools for deeper day-to-day school management
Classberry Pro-Max	22	$2,250	$5,900	Complete package including finance, test generation, alumni and school shop
Client-Selected	Custom	Custom quotation	Custom quotation	Select only the modules required by the institution

Licensing terms

Annual Rental	Standard product support is included while the rental remains active.
Perpetual Licence	Paid once. From Year 2, annual support and maintenance renewal is 15% of the perpetual licence value.
Classberry Mobile App	Included free with every active package.
Client-Selected	Quoted according to the selected combination of modules, using either annual rental or perpetual licensing.

Package module comparison

Basic includes all Lite modules. Pro-Max includes all Basic modules. Client-Selected may include any combination required by the institution.
